## RULES AND REGULATIONS

### Clover Parking Permit Holders

Nexus Parking Systems' monthly customer rules and regulations are listed below. If further assistance or interpretation is required, please go to the website of [www.nexusparkingsystems.com](http://www.nexusparkingsystems.com) and click on the [Customer Service Support](#) button and submit an email to our customer service representative.

1. The customer is responsible for managing their account using the app powered by Meter Feeder.
2. CANCELLATIONS – Cancellations can be completed directly on your phone through the app. If you forget to cancel, and an automatic payment has been completed, a refund cannot be issued.
3. Credit/debit card payments will be automatically processed on the app. If payment is declined, the permit will be disabled until payment is made through the app. The monthly customer is then considered to be a daily customer until the account is paid.
4. Customers self-manage their payments on the app.
5. Receipts are sent automatically via email and available in the app. They can be accessed and resent or forwarded. If auto-renew is not activated or payment is declined for any reason, the monthly version of the app will not work and you will be charged the daily rate until the fee is satisfied.
6. Permits are not transferable! If any permit is found to have been transferred to an unauthorized parker, the permit will be deactivated and a fee will be charged. The permit will remain inactive until the fee is paid.
7. Only one vehicle per permit is allowed to park at any given time! DO NOT USE THE PERMIT for any other vehicle but yours. Depending on the type of unauthorized use, a fee may be charged.
8. All vehicles must follow the specified traffic signs and speed limit.
9. Park the vehicle parallel to and between the yellow, white or blue lines. If another parker parks over the line, do not park next to that vehicle if it causes you to park over the line. You will be given a violation. Violators will be cited and will be towed at the owner's expense, or wheel locked and subject to the fines listed below. The violation fees can be paid by scanning the QR code on the Meter Feeder ticket or at [www.meterfeeder.com](http://www.meterfeeder.com). If another type of ticket was issued, follow the payment instructions or contact customer service for assistance.

10. Verbal or physical abuse against any parking employee will not be tolerated and is subject to account suspension or termination.
11. **Vehicle storage or extended monthly parking past 21 days is not permitted** in our parking facility for both security reasons and cleanliness.
12. Remove all valuables from your vehicle. Do not leave items such as cash, cellular phones, radar detectors, GPS devices, and electronic music devices visible in your vehicle. Lock your car! Take your keys! This is a self-park facility.
13. This contract licenses the holder to park one vehicle in the parking facility at the ticket or permit holder's risk. The parking charge is for use of a parking space only. The management specifically disclaims any liability or responsibility for damage or loss due to fire, theft, collision, vandalism, or otherwise to the vehicle and its contents however caused.

***Nexus Parking Systems thanks you for adhering to our rules and regulations.***
